## Wall-mount Range Hood ~ DWRH303GSST

### Features

- This state-of the art stainless steel and tempered glass wall-mount range hood is 30-inches wide making it an easy fit in just about any kitchen space.
- The powerful and silent three-speed dual centrifugal fans will quickly rid your kitchen of aggravating and unhealthy cooking odours, vapours, and smoke. The fans come with three different speed settings as well as a high-tech automatic shut-off system.
- The stainless steel construction makes the appliance healthy, safe, and quite easy to clean. .
- The technologically-advanced heat sensor system will automatically start the fans once the unit reaches a temperature of 70 degrees C (158F). This automated safety system will activate whether the appliance is turned on or off.
- The Silhouette Select DWRH303GSST range hood makes it easy to see your cooking skills in action with its bright dual halogen lighting system. There are three different levels of brightness settings which are designed to illuminate even the darkest kitchen atmospheres.
- Programming and monitoring the range hood is made simple and easy by the smooth and seamless push-button backlit LED control panel which can be found at the front and centre of the unit.
